

INTRODUCTION

Our speaker today has presented to some of the worlds most effective leaders and business developers, including Multi-Billion-Dollar manufacturers and top service providers. His clients include: Caterpillar, Exxon, The National Safety Council, Southern Company, Rio Tinto, The NFL and NASA.

He is an Amazon.com 1# Bestselling author, has spoken on 5 continents and been Featured in Forbes and Inc. Magazines. He is also a former professional stand-up comedian, a former fortune 500 leader and a *chemical plant explosion survivor* who has developed safety products that are still being sold in 30 countries.

His presentation today is called Influencing Safety

Please welcome Garrison Wynn.
